**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There should be many choices for internet providers. More broadband competition, not less!

I have fiber at one location (at&t) and regular telephone lines at another Sonic.

Broadband is the most reasonable option for folks to get internet access.

Please support a wide range of service providers small, medium, and large.
